## ■ Height Adjustable Overbed Table / Multi-Functional Table

The overbed table offers a reliable and convenient desktop surface for anyone to use near furniture like beds, couches, and recliners. It features a "C" shaped base that allows for closer access from a chair or a bed. Also, its offset column helps for kicking your feet up and relaxing. The adjustable table with wheels rolls smoothly to move throughout the house. It is a unique furniture design that is adaptable to any environment or task.

- Solid Construction
- Easy to Move
- Two Button Control

NEW

- Offset Column
- Hidden Casters
- Wide Application

## ■ Multi-Functional Table

### **Offset Column**

Provides more legroom.

### **Hidden Casters**

Makes the table more beautiful & safer.

### **Two Button Control**

Adjusts the desk height with ease.

### **Stable Structure**

Safer for young and old.

## SPECIFICATIONS
